2. After reviewing all the circumstances the Board finds that individual has suffered a loss which was caused through no negligence on his part and due to security has been precluded from normal recourse. It is the unanimous recommendation of the Board, including the representative of DS/P (as indicated by signatures below), that the claim be paid less the amount of the resale value of frame, on which a bid of \$25.00 has been received. The Board also agreed, based upon additional information, that the Adjuster's fee of \$25.00 was a proper claim and also recommends that it be paid.

3. All requirements for the submission of a claim under CIA Regulation [redacted] have been properly fulfilled by the claimant.
